Welcome to the Spring edition of our newsletter.

We have been through some challenging weather recently. We would like to thank everyone for their understanding and support during the recent cold snap. It looked very pretty though—thank you to Nichola, our nurse administrator, for the lovely photo.

Dr Alistair McKibbin has reduced his hours from the beginning of March. Dr Vicky Stephenson is now a partner with her own patient list. Vicky has been working at the surgery for a couple of years and we are pleased she has chosen to become a partner.

Congratulations to Dr Alison Morris who has recently had a baby girl. Mother and baby are doing well and we look forward to Dr Morris' return in the summer.

The practice is working towards the up and coming General Data Protection Regulation (GDPR) which will strengthen and unify data protection for individuals. We will update you nearer to the May launch.

That's it for now, if you wish to see anything else in the newsletter please let us know via [rowden.surgery@nhs.net](mailto:rowden.surgery@nhs.net)

Gareth O'Neill  
Practice Manager
